Workers are all volunteers from within the community. Food is purchased through the Food Bank of Central New York or through a local supermarket, farmer or farmers market. As volunteers are busy and on occasion unavailable to help at a meal, new volunteers are always needed. No special skills are necessary; only a willingness to give of your time and talent. Please consider joining us.

The Free Community Meal was started over 15 years ago to respond to our desire to feed our local community and provide a space for individuals to gather.

Dinner is served buffet style every Thursday from 4:00—5:30 and is offered to anyone who desires to eat and gather with others.

We offer snack bags to children of the families that attend our meal.

How Are We Funded?

We receive grants and donations from The Food Bank of Central New York, The Northern New York Community Foundation, AmVets and AmVets Auxiliary, the Marine Corps League, Marine Corps League Auxiliary, Creating Healthy Schools and Communities Project which is funded by the NYS Dept. of Health, Music for the Mission, Walmart, Stewarts, SeaComm FCU, Massena Savings and Loan, Perras Environmental Control, Manley's Insurance Agency, Massena Rotary Club, the Elks Lodge, Frenchie's Chevrolet plus individuals within the community, and our local churches. We could not serve these meals without the generous support from our community.
